# The Power of Wonder

**"THE POWER OF WONDER DELIVERS ON ITS TITLE BY SHOWING HOW WONDER CAN SPARK CREATIVITY, DEEPEN HUMILITY, AND BOOST PERFORMANCE."**

– Daniel H. Pink,  
#1 *New York Times* bestselling author

From the first tickle of curiosity to an unexpected shift in how we perceive the world, there isn't a person who hasn't felt wonder, and yet the why and how of this profoundly beneficial emotion is only just beginning to be scientifically defined and explored. This inspiring book from thought leader Monica Parker explores the power of wonder to transform the way we learn, develop new ideas, drive social change, and ultimately become better humans.

The *Power of Wonder* takes readers on a multidisciplinary journey through psychology, neuroscience, philosophy, literature, and business to share some of the surprising secrets behind the mechanics of wonder and guides readers in bringing more of it into their lives. Readers will learn about the components and elicitors of wonder, and how it can transform our bodies and brains. From taking a daily "awe walk" to discovering a new and all-consuming interest in something you'd never given much thought to before, this book shows readers how to become more wonder-prone and reconnect with a reverence for the world and all the fascinating people in it.

## Monica C. Parker

A world-renowned speaker, writer, and authority on the future of work, Monica Parker has spent decades helping people discover how to lead and live wonderfully.

The founder of global human analytics and change consultancy HATCH, whose clients include blue-chip companies such as LinkedIn, Google, Prudential, and LEGO, Parker challenges corporate systems to advocate for more meaningful work lives.

In addition to her extensive advocacy work, Parker has been an opera singer, a museum exhibition designer, a policy director, a Chamber of Commerce CEO, and a homicide investigator defending death row inmates.

A lover of the arts, literature, and Mexican food, Parker and her family split their time between Atlanta, London, and Nice. Her wonderbringers include travel, fellowship with friends, and Trey Anastasio's guitar.
